

CITROËN

**NEW CITROËN C5  
AIRCROSS SPORT**

# AN SUV THAT REFLECTS YOU

Introducing the New Citroën C5 Aircross Sport - an SUV with the style and performance credentials to reflect your personality. Bearing the bold identity of the brand's latest models, this athletic design boasts a dynamic new front end which accentuates its robust character. Sculpted side scoops increase aerodynamic efficiency and visually widen the vehicle lines, while chrome highlights and gloss black chevrons set it apart and complement a chrome surround in the central section.

In distinctive Citroën style, the 'V' LED light signature creates a 3D effect by means of the striking 'piano key' detail. The discreet LED Vision headlights visually extend the gloss black grille, the sharper lines of the main air intakes highlight the lower front panel and a polished aluminium fairing reinforces the SUV character.

# ROBUST & ELEGANT

New Citroën C5 Aircross Sport asserts its presence thanks to its high and horizontal bonnet, its large wheels, its raised ground clearance, its Airbumps and its glossy roof rails. An elegant chromed 'C' signature surrounds the wide side windows and accentuates the floating appearance of the roof. While the bold rear of the New Citroën C5 Aircross Sport showcases the new 3D-effect LED rear lights with their unmistakable statement style.

# ENHANCED ROADHOLDING

New Citroën C5 Aircross Sport benefits from increased traction with Grip Control, which features a choice of four grip modes. To ensure safety is optimised when travelling downhill, the Hill Descent Assist feature helps to reduce the risk of the vehicle slipping or accidentally gaining speed, in either forward gear or reverse.

# A REFINED INTERIOR

Take your seat in the Hype Black ambience of the upmarket cabin and surround yourself in comfort and space. From the high driving position, you can appreciate the sleek horizontal dashboard incorporating a new 10" HD capacitive touch screen. Luxurious materials and finishing touches include gloss black details and chrome inserts, while Citroën Advanced Comfort Trim seats feature new 'Paloma' perforated Nappa leather<sup>1</sup> and elegantly designed overstitching.

1. Leather appointed seats are a combination of genuine leather & synthetic materials for durability and are not wholly leather. \*Overseas model shown.

# CITROËN ADVANCED™ COMFORT SEATS

At the cutting edge in terms of comfort, New Citroën C5 Aircross Sport is fitted with seats boasting wide cushions and seat backs, in a new design inspired by the most comfortable furniture. The innovative composition, combines high density foam at the core of the seat and a 15 mm thick textured foam on the surface, guaranteeing permanent support and softness without any sagging over time. The intelligent structure delivers a level of driving comfort that transforms both short and long journeys.

\*Overseas model shown.

The generous 580 litre boot volume, can be extended up to 720 litres with the rear seats moved forward and a massive 1,630 litres with the rear seats folded flat. Along with the spacious boot and a two position adjustable boot floor, the convenient hands-free tailgate can be opened by simply moving your foot under the rear bumper.

# YOUR SAFETY IN MIND

New Citroën C5 Aircross Sport uses advanced connectivity technology and intuitive driving assistance systems to enhance safety and make everyday driving easier. The Blind Spot Monitoring System (below) indicates when a vehicle is in a blind spot, via an orange LED in the door mirrors

\*Overseas model shown.

# 6 BODY COLOURS

You can choose from 6 body colours for the New Citroën C5 Aircross Sport including Polar White paint as standard. Each vehicle features body-coloured exterior door handles, rear spoiler and a black two tone roof.

ECLIPSE BLUE<sup>1</sup>

STEEL GREY<sup>1</sup>

POLAR WHITE

PEARL WHITE<sup>1</sup>

NERA BLACK<sup>1</sup>

PLATINUM GREY<sup>1</sup>

Note: Paint colours are representative only and subject to variation due to the printing process. 1. Optional extra

\*Overseas model shown.

Using a camera and radar, Adaptive Cruise Control With Stop & Go detects the vehicle in front and automatically maintains the safe distance chosen by the driver. If necessary the vehicle will stop with the traffic and move off again automatically.

\*Overseas model shown.

# PANORAMIC SUNROOF

The panoramic sunroof provides exceptional brightness making every journey in the New Citroën C5 Aircross Sport special.
