CITROËN C4

LET COMFORT MOVE YOU

Citroën C4 harmoniously combines the smooth and refined lines of a hatchback with the generous space and strength of an SUV. This, along with the inclined roof line, gives it an aerodynamic profile that's unique in the category. This sense of purpose is enhanced by large diameter wheels and a raised posture, as if ready to pounce.

Our exclusive wide seats combine high-density and textured foams for added support & softness to create living room comfort on wheels. The Citroën C4 also features electrically heated front seats while the driver's seat offers comfort in posture through lumbar and height adjustment and a seat massage function that gives an onboard feeling of being in a cocoon of comfort.

CITROËN ADVANCED COMFORT™ SEATS

CITROËN SUSPENSION WITH PROGRESSIVE HYDRAULIC CUSHIONS™

On board Citroën C4, you'll experience a supreme feeling of wellbeing and driving pleasure thanks to Suspension with Progressive Hydraulic Cushions™. This gives driving a real flying carpet effect across slight compressions and avoids any rebound effect on poor road surfaces. A Citroën innovation for a new experience in comfort.
